

Experience Card - Essential Travel Only and Preload Your Card Prior to Travel

Dear Valued Customer:

This is an automated message from BC Ferries regarding your Experience™ Card.

BC Ferries Experience Card - Essential Travel Only and Preload Your Card Prior to Travel

In line with directions provided by the Public Health Agency of Canada and other leading health authorities, BC Ferries is advising customers to avoid non-essential travel at this time. If you have to travel, please use electronic payment (Debit, Credit or Experience™ Card) only during this time.

BC Ferries Experience™ Card users are encouraged to preload your card online prior to travelling. Creating an account to access this option also provides card balance protection. Customers also have the option of using self-service ticket kiosks where available.

The safety of passengers and crew is our number one priority. Stay up to date with the latest sailing information and learn more about the precautions we're taking to reduce the spread of infectious diseases including COVID-19, visit bcferries.com.

This is a no-reply email. To provide feedback or submit an inquiry, please use our online feedback corner located at: www.bcferries.com/contact_us
