

## (MIHCA)

*An incorporated non-profit society operated by an elected board of community volunteers, MIHCA supports and promotes access to timely sustainable health and wellness services on Mayne Island.*

### **We work with our medical team, Island Health and the community to:**

- identify current and future health care needs through ongoing consultation, and community feedback
- investigate emerging technologies that can enhance health care delivery in rural environments like ours
- seek grants to acquire new technologies and other equipment and furnishings, and if needed, fund-raise to off-set the costs
- sponsor and organize First Aid Training and other health and wellness education
- attract and engage complementary care providers
- advocate on behalf of our community's health care needs

### **Coordinating Vaccination Clinics**

We help organize the COVID-19 and annual Influenza vaccination clinics on Mayne.

### **Every investment we make benefits our community**

While MIHCA has no involvement in the day-to-day operation of the Clinic in the Health Centre, we work to ensure our medical team has the technology and equipment needed to support the care they provide to our community – now and into the future.

And every dollar invested in that technology and equipment stays in the Health Centre and through MIHCA, belongs to our community.

### **You've been with us every step of the way**

Your gifts to MIHCA helped fund the construction of the Health Centre in 1976, the first addition in 1996, and the Emergency Room in 2017.

You also helped fund the Electronic Medical Records System acquired in 2013 and the lifesaving AEDs around the island -- along with on-going operating and maintenance costs of both.

### **And you continue to make all that happen**

Through donations, membership dues, legacy considerations and volunteerism, your contributions are the backbone of everything MIHCA does to support our health care on Mayne.

And as a non-profit society, our administrative costs are minimal, so your donations go directly to the bottom line.

### **What about the annual Mayne Island Improvement District (MIID) Health Centre tax levy property owners already pay?**

The annual tax property owners pay to the Mayne Island Improvement District (MIID) funds the continued maintenance and upkeep of the Health Centre buildings, grounds and the Heliport.

That tax levy does **not** fund any of the furnishings, technology or equipment in the building -- or MIHCA's activities on behalf of our community.

**MIHCA relies on your membership dues and donations** to support everything we do -- from the purchase of equipment and new technologies for the Health Centre and Clinic -- to providing programs and services that promote health and wellness on Mayne.

Your support makes all the difference. Just complete and submit the form on the back of this pamphlet, send an e-transfer to [treasurer@mihcboard.ca](mailto:treasurer@mihcboard.ca) or donate on-line through our website: [www.mayneislandhealth.ca](http://www.mayneislandhealth.ca)

That's also where you'll find more information about MIHCA's strategic plan, mission, vision and goals.

And if you have any questions or comments, please email: [info@mihcboard.ca](mailto:info@mihcboard.ca)

## DONATIONS/MEMBERSHIPS

You can support MIHCA through donations and memberships. A tax receipt will be issued for donations of \$20 or more.

The annual membership fee is \$10/person or \$20/family. Membership benefits include timely updates and the latest news via email.

On-line: Go to [www.mayneislandhealth.ca](http://www.mayneislandhealth.ca) and click on "Donations/Memberships" to pay by credit card.

E-transfer to [treasurer@mihcboard.ca](mailto:treasurer@mihcboard.ca)

Or complete the form below, enclose a cheque and send it to MIHCA at #100-526 Felix Jack Road, Mayne Island BC V0N 2J2
